

Head Teacher Appraisal

Montpelier Primary School

Programme Lead	Am Rai, Montpelier Primary School
Focus Group	School Governors and Head Teachers
Time Offered	One Day
Cost	£700 per appraisal

Governors are advised to appoint an external advisor in order to support the Head Teacher appraisal process.

Currently the West London Teaching Alliance has three Head Teachers who are experienced in this role (an NLE, LLE and former SIP / current OFSTED Inspector) and are well equipped to provide this confidential service for governors.

Where schools choose to complete a non-statutory mid-year review, the Teaching School will negotiate an additional charge.
